Beaverton Man Dies in Crash

July 5, 2016—Sheriff's Deputies responded to a crash where a vehicle left the roadway and rolled over. The driver received minor injuries and the passenger did not survive the crash.

On July 5, 2016 at 8:16 p.m., Washington County Sheriff's Deputies were called to SW Roy Rogers Road, north of SW Scholls Sherwood Road, concerning a single vehicle crash.

Sheriff's Deputies arrived and found a 2004 Honda Accord heavily damaged on its top on the northbound shoulder of SW Roy Rogers Road. Sheriff's Deputies determined the Honda was travelling south on SW Roy Rogers Road at a high rate of speed, failed to negotiate a curve, hit the ditch and rolled onto its top.

Sheriff's Deputies found Kevin Sumlin, 24, from Oroville, California, was driving the Honda. His passenger, Miles McCullough 27, from Beaverton was the passenger. Kevin Sumlin was transported to the hospital with minor injuries. Miles McCullough was pronounced deceased at the crash scene.

Tualatin Valley Fire & Rescue assisted with this crash. The Washington County Crash Analysis Reconstructive Team responded to gather evidence and document the scene.

Investigators believe alcohol and excessive speed contributed to this crash. This case is still under investigation and will be forwarded to the Washington County District Attorney.
