Case# 50-163090504

Investigation Leads to Arrest of Commercial Burglars

November 8, 2016 – Deputies were responding to check the welfare of two men. During the check, it was determined that the men had been involved in two commercial burglaries.

On November 7, 2016, Travis Hendon, 30 and Sanchindra Nath, 36 both from Portland, were arraigned in Washington County court on multiple counts of Aggravated Theft, Burglary, Criminal Mischief and Identity Theft. Both men pleaded not guilty.

On November 4, 2016 at 11:24 am, Sheriff's deputies were called to a business in Aloha that had reported a burglary. The owner of "The Green Signs" told deputies that when he went to his business to open it that morning, it had been burglarized. Deputies further investigated to learn that the burglars had also broken through a wall into a neighboring business by cutting the sheetrock (inset photo).

At that same time, deputies had also been called to check on two men in a 2001 Ford Expedition that had not moved for several days. Upon contacting the individuals, it was determined that they matched the description of the commercial burglars that were seen on surveillance footage.

Deputies obtained a search warrant for the Expedition and found tools commonly used to gain entry in a burglary and property stolen from the two businesses located inside. These items included dozens of team jerseys, electronics, coin collections and musical instruments.
