Deputies Seek Public's Help Locating Missing Endangered Aloha Woman

January 12, 2017 – Sheriff's deputies are asking for the public's help locating a missing endangered woman. Deputies are concerned she may not be able to care for herself and be in increased danger due to the inclement weather.

On January 10, 2017, at 6:30 p.m., Washington County Sheriff's deputies were called to the community of Aloha concerning a missing endangered woman. 33-year-old Sparkle Green was reported missing from the care facility where she resides.

Ms. Green was last seen at the facility, near SW Farmington Road and SW 209th Avenue, around 5:30 p.m. on Tuesday. Ms. Green is reported to have a developmental disorder which could cause her to engage in risky behaviors and not have the ability to care for herself.

Deputies are concerned that Ms. Green could be staying outdoors and be in danger due to the frigid temperatures and snowy weather conditions. It is reported that Ms. Green has gone missing in the past and used public transportation to travel into downtown Portland. While there, she slept outdoors and did not care for herself.

Ms. Green is described as a black female, 5'8" tall, heavy build, with braided black hair. She was last seen wearing a heavy blue coat, white sneakers, blue jeans, and her identification lanyard.

The Washington County Sheriff's Office is requesting the public's help with this case. If anyone has any information regarding the whereabouts of Sparkle Green, please call 503-629-0111.
