PRESS RELEASE

Deputies arrest Two Suspects from Stolen Car, looking for One More

This morning, Sheriff's deputies arrested two suspects in a stolen car after a pursuit in Beaverton. They are still looking for one suspect who got away. The suspects stole the car from an occupied house in Seaside sometime yesterday.

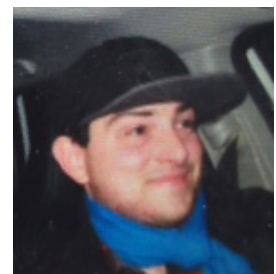

On Sunday, January 29, 2017, at 8:11 am, Sheriff's deputies were alerted by the Seaside Police Department that suspects in a Seaside burglary were trying to use a stolen credit card at the Chevron station in North Plains (10025 NW Glencoe Road). Deputies were informed the suspects were driving a stolen 2015 white Subaru Outback. The vehicle and the credit card were stolen sometime yesterday from a residential burglary in the City of Seaside.

A deputy responding to the Chevron spotted the stolen car traveling east on Highway 26 at about NW 185th

Avenue. The deputy followed the car and waited for backup units to assist with a traffic stop. Deputies and officers from the Beaverton Police Department attempted a traffic stop at SW Cedar Hills Blvd. and SW Park Way. The

stolen vehicle, with three people inside, failed to stop and led the deputies on a pursuit south on Cedar Hills Boulevard. The suspects continued onto SW Walker Road and ran a red light. Deputies decided to terminate the pursuit because the suspects were driving recklessly and they did not want to endanger the public.

Several minutes after the pursuit was terminated, calls started to come into 911 regarding a suspicious vehicle in the area of NW 174th Terrace and NW Bernard Place. Neighbors reported that the stolen vehicle was abandoned in the street and the three suspects ran in different directions. Sheriff's deputies and officers from Beaverton and Hillsboro Police Departments surrounded the area and brought a K9 unit in from the Beaverton Police.

Within an hour two suspects were arrested. Twenty-year-old Autumn Brelin of Seaside was arrested nearby. She was spotted walking down the street by a Sheriff's deputy. The second suspect, 22-year-old Cyrus Grabenhorst of Seaside, was tracked down by the Beaverton police K9, "Ike". A third suspect, 30-year-old Jacob Terrill of Seaside, is still at large and investigators are asking the public's help in finding him.

The three suspects took photos of themselves in the stolen car with a stolen camera that was recovered from the car. The male suspect wearing a hat in the picture, seated in the driver seat, is Jacob Terrill. If you have any information regarding any of these suspects please call the Washington County Sheriff's Office at 503-629-0111.

Ms. Brelin and Mr. Grabenhorst were both booked into the Washington County Jail on multiple charges.

Please contact the Seaside Police Department for information regarding the burglary and theft of the car.
