PRESS RELEASE

April Enhanced DUII Patrols

March 31, 2017 – During the month of April, the Washington County Sheriff's Office, in partnership with the Oregon Department of Transportation (ODOT) and the National Highway Traffic Safety Administration (NHTSA), will conduct high-visibility enforcement patrols looking for impaired drivers.

Many of these DUII patrols are made up of deputies working grant-funded overtime provided by ODOT and NHTSA. The Sheriff's Office encourages people to enjoy events and the nicer weather responsibly.

If you're going to consume alcoholic beverages or recreational marijuana make sure to have a designated sober driver or arrange for an alternate form of transportation. Impaired drivers are involved in a significant number of injury and fatal traffic crashes each year.

The Sheriff's Office reminds you to drive sober or get pulled over.

The April DUII Enhanced Patrol results will be posted at the beginning of May 2017.
