DUII Driver Arrested After Crashing into Vehicles

Early Saturday morning, a man was arrested for Hit and Run and DUII after he crashed into two parked vehicles and then drove home. Deputies found his wrecked and smoking car near his house.

On Saturday, October 19, 2013, at about 12:46 a.m. Sheriff's deputies responded to a crash in the 16600 block of SW Oak Street in the community of Aloha. Several 911 calls were placed by neighbors in the area reporting two crashes in close proximity to each other.

When deputies arrived they located two previously parked vehicles in the middle of the street. A suspect vehicle had left the scene. One of the vehicles was a pickup truck that was pushed about 30 feet from the point of impact. A second car, a Lexus, had also been struck and was pushed about 25 feet from the point of impact. Both vehicles had major damage.

Deputies conducted an area check for the suspect's car. They found an Audi that was smoking and had major front-end damage, about two blocks away from the wrecked vehicles. They identified the house where the suspect's car was registered and contacted the owner, Bruce Jones, 39, of Aloha.

Deputies arrested Mr. Jones for DUII and Hit and Run. He was booked into the Washington County Jail. No one was injured in either crash.
