Case #13-516475

Deputies Investigating Car Thefts in Aloha

November 09, 2013--On the morning of Friday, November 08, 2013, Sheriff's deputies took numerous reports in the community of Aloha, of cars being rummaged through during the night. The break-ins were reported by several residents in the area of SW 188th Avenue and SW Westword Street.

Deputies have taken reports from at least eight victims in the area. Many of the victims told deputies that they left their cars unlocked. They said their cars had been ransacked, and in many cases, items were taken from the vehicles.

Deputies are asking people to call in if they suspect that their car was broken into. They would also like to remind people to lock their cars when they are parked.
